Miss Ruth Woodcock returned home Saturday from a two weeks' visit in Montreal.

Miss Ethel T. Ewen of Hartford, Conn., is visiting her mother, Mrs. James Ewen, of Orange street.

Mrs. C. F. Butterick and two children of Springfield, Mass., are visiting relatives on Merchant street.

An adjourned meeting of the K. of C. will be held Tuesday evening, June 17. A good attendance is desired.

Poison! Farmers, attention! If you use paris green in 50-lb. lots, ask us for quotations. N. D. Phelps Co.

No rehearsal of the senior music to-night. Notice will appear in The Times when the next rehearsal will be held.

Miss Ruth Averill, after attending the commencement exercises at Norwich university last week, has returned to Barre.

John Nelson and wife, Mr. and Mrs. Mark Cutler, Miss Beatrice Callaghan and James Riley were week-end visitors at Joe's pond.

Mrs. Bessie Barber and family, with her sister, Mrs. Hunt of Royalton, spent Sunday with Mr. and Mrs. Roy Moxley of Hardwick.

To-morrow evening at 7:30 all the call men of the fire department are requested to meet at the fire station for the second drill of the season.

Regular meeting of the ladies of Clan Gordon will be held Tuesday, June 17, at 7 o'clock to allow members to attend prize speaking. Initiation.

The names of Joseph Calcagni and J. B. Sanguinetti have been added to the committee on decorations for the Fourth of July celebration to the homecoming service men.

Miss Minnie Ironside of Ayer street and Miss Mary Smart of Forsythe place have secured positions as waitresses at a hotel in Bethlehem, N. H., to work during the summer season.

Gloria Swanson in "The Secret Code," also a two-reel Sennett comedy, "False to the Finish," will be shown today.

Dr. and Mrs. F. M. Lynde and son, Charles, accompanied by Mrs. E. L. Smith, left by automobile yesterday for Old Orchard beach, where the former will spend the next two weeks.

Miss Caroline Boffice and Grace Kelly expect to leave the latter part of the week for Boston, where they have accepted positions with a theatrical company, which is touring the country.

There are still a great number of Barre city's service medals at the city clerk's office and the lads of Barre who have been in some branch of the service may obtain one by calling at that office.

Walter Smith, absent from this city nearly 12 years, arrived in Barre Saturday to visit at the home of his mother, Mrs. Ellen Smith of Foster street.

Mr. Smith recently received his discharge from the Canadian army.

Members of Hiawatha lodge of Odd Fellows and Bright Star Rebekah lodge attended church services at the Congregational church last evening and listened to a sermon by Rev. F. L. Goodspeed on the subject of the Good Samaritan as brought down to the 20th century idea.

Mr. and Mrs. Frank Dings, Madam Dings, Frank Hackett and Ethel Slade from South Royalton, Mr. and Mrs. C. H. Northrop, Madam Northrop, Mr. and Mrs. Robert Knox, Mr. and Mrs. F. R. Northrop all spent Sunday with Mr. and Mrs. Fred McAllister on the Dr. Martin farm in Williamstown.

The Interstate Motorcycle club of Lebanon, N. H., comprising members in New Hampshire and Vermont, visited Barre in their two-day run by motorcycle from Lebanon to Burlington and Plattsburg, Saturday and Sunday.

The party, consisting of 25 riders, went to Burlington Saturday and traveled by steamer to Plattsburg, after which they turned their machines southward on Sunday, passing through Barre Sunday afternoon on the last lap of their itinerary.

Attorney H. W. Scott, now supreme warden of the New England Order of Protection, has started on a tour that will include every state in New England. At each of the important cities of the various states he will meet the grand wardens of the lodge.

From Barre he started for Manchester, N. H., to remain over night; to-morrow he will be in Auburn, Me., Wednesday in Boston, Thursday in Providence, R. I., and Friday in New Haven, Conn.

The first experiment of parking automobiles along the City park Saturday afternoon and evening was only partially successful because of the fact that the drivers of the machines ran their cars alongside the curb instead of running them in at an angle, as requested by the police department.

The placing of the curb reduced the parking space to such an extent that far less than the expected number could be accommodated. Along toward evening policemen were stationed at the park to warn motorists to drive their cars in at an angle.

Frederick Hyland of Rutland, who for the past two years has been the varsity catcher at Norwich university, and Herbert ("Zip") Harrington of Portsmouth, N. H., the shortstop of the Norwich varsity team, were the guests of Aubrey Ogston over the week-end. To-day they left for Newport, N. H., where they will play in their respective positions for the Newport athletic team, which is one of the teams included in the Industrial league. This league is composed of the Windsor machine shop team, Sullivan Machinery company's team, Claremont, N. H., a team from the Springfield, Vt. machine shop and several others in that vicinity.

MONTPELIER

Class Day Exercises of High School Seniors Held To-day.

The class day exercises of Montpelier high school are taking place this afternoon at Caledonia park following out the usual custom of the school. The arrangements were in charge of the following officers: President, George Milo; vice-president, Bernard Mills; secretary, Miss Lyle Clark; treasurer, Donald Pine, who are assisted by committees recently appointed. The poem was given by Thomas Johnson, the prophecy by Percival Tabor, history by Mrs. Ruth Lamson and the class will by Andrew Piccoli. The morning was passed with sports. Then followed the picnic dinner, after which the class exercises took place. More sports were in order and then the annual baseball game between the seniors and freshmen against the juniors and sophomores took place. The baccalaureate sermon was given Sunday evening by Rev. Charles St. John, pastor of Bethany church. It was given in the auditorium of the high school in the presence of a large audience, in spite of the hot weather. Mr. St. John gave a very interesting sermon, well adapted to the occasion but one which could well be taken up by any young person as to the kind of a life that should be followed.

The officers at the house of correction have completed the transferring of the 500 or more prisoners that were in the house of correction at Rutland to the house of correction at Windsor. This was for the most part done last week. Supt. Loukes is still at the old place but it is understood that he is to go to a farm he has in Mendon. Naturally when the reduction in overhead expenses occurs, Mr. Loukes' position as superintendent ceases to exist.

Barber & Lanier, undertakers in Montpelier, have purchased a new automobile ambulance which is suitably arranged for funeral work as well. It arrived from Boston Sunday evening and is the only one owned in Montpelier. It will have modern conveniences, including electric lighting, iced water, a modern cot. The interior is finished in mahogany, while the exterior is in black. A gray or black curtain may be used with a purple cross. It is a Ten chassis while the body was specially made by Wide & Dunton in Lewiston, Me. The ambulance was driven here from Boston Sunday.

A son was born to this morning to Mr. and Mrs. Thomas Guare. Mr. Guare is employed in the H. J. Volholm furniture store.

Felix Pagulica has arrived home, having been discharged from the 74th or Lightning division, with which he served in France. He did not see battle.

George H. Silloway, who was in Germany with the army of occupation, has arrived home, having been discharged from the army. Since he left here a son has been born to Mr. and Mrs. Silloway.

Dove McMath, who was assigned the duty of organizing the H. of the Vermont National Guard, is not meeting with much co-operation in his efforts. Those who have returned from France have seen enough service for the present at least, although probably in a few months they will want to get into military life again, while the home guards do not care to get into the service again.

Many of these only want to help along the organization until the end of the war. However, there is one thing that the citizens of the city ought to bear in mind; that is, if Montpelier does not show interest in the project the city may for the first time in many years be without a company and then later they will have only themselves to criticize. The election of officers will occur after there are enough men enlisted to assure the company.

Mr. C. W. Scott has returned from a visit with relatives in Indiana.

C. W. Scott, deputy commissioner of weights and measures, is suffering with a sprained wrist as a result of cranking his automobile.

Traffic on the trolley line between this city and Barre was delayed for an hour Sunday evening by the derailment of a car near Sabie crossing. The derailment is understood to be due to the spreading of the rails caused by the heat.

Mrs. S. L. Howe has gone to Chicago, where she will spend the summer. She accompanied Mrs. Hosmer, her sister, to her home.

Harry Pratt, who has been visiting with Mr. and Mrs. F. L. Pratt, his parents, are gone back to his home in Portland. Mr. Pratt has given up his Red Cross work and returned to the duties with the Vermont Marble company.

Frank McGowan appeared in Montpelier city court Saturday morning on the charge of intoxication. He could not pay \$5 and costs and went to jail for 20 days.

John H. Senter was recently discharged from the British army and is now in Portland, where he had scarlet fever. He has commenced work with the E. J. Eddy company of Hartford, Conn.

The authorities were given quite a little trouble for a while Sunday morning when it was reported to some of them that matters concerning the L. V. W. were to be discussed at a picnic at Dewey park Sunday. Investigation was conducted by the officers and the picnic was held as though the complaint had not been made. It
